## District Convention

It is not too early to start making your plans to attend the 18-B District Convention on February 24, 25, and 26, 2006, in Hinesville, Georgia—home of the 3<sup>rd</sup> Infantry Division and Fort Stewart as well as the home of District Governor Lew Waldrop and his family.

Events are scheduled for Friday to Sunday. On Saturday morning, you can either play a round of golf or visit historical sites in Liberty County. The Past District Governors Association luncheon and meeting is scheduled for noon. The cabinet meeting is at 2:30 pm in the new Army Education Center. And—our banquet will be at Club Stewart!

International Director Terry Graham and his wife, Jean, from New Castle, Ontario, Canada, will be our special guests. Come and help show them our Southern hospitality.

More information will be sent to the club president in the next two months. Start today by reserving these dates to come to Hinesville.

## Holiday Banquet

Plans are underway to hold the Holiday Banquet on Tuesday January 3<sup>rd</sup>. Location to be announced. The business meeting for January will be held on the 3<sup>rd</sup> Tuesday, January 17<sup>th</sup>. The Port City Lions will once again present gifts to the children of St. Mary's home this holiday season.

## Truck Raffle Sales

Lions Jennifer Eisenhart, Ellie Underwood, and IPDG Rick Mizell spent three hours on November 19<sup>th</sup>, selling Raffle Tickets to benefit the Georgia Lions Camp for the Blind in front of Wal-mart in Pooler.

## IPDG Honored

Our own, IPDG, Rick Mizell was honored recently with a letter from International President Ashok Mehta. The letter was in recognition of the extension activities within District 18-B for the year 2004-05 resulting in the chartering of the Georgia Southern University Campus Lions Club. Lion Mizell received a Governor's Extension Award Pin. The letter states "that there are now more than 46,000 Lions clubs in more than 193 nations and geographical areas. Each was organized because a Lion cared enough to give his or her time and energy to extend the service potential of Lions Clubs. The growth of Lionism depends entirely upon the responsibility of Lions club members to bring other service-minded people together to work in behalf of humanity. It is this dedication, which increases our effectiveness in our communities and enriches the lives of people everywhere."
