New Lions Clubs International Web Site to Debut in March

As part of our major branding initiative, Lions Clubs International is launching a new English Web site. This new Web site will:

- Explain who Lions are and what we do.
- Make it easier to find information—and complete tasks.
- Tell the Lions' story dramatically in pictures and in words.

The new Web site will have familiar sections, including About Lions and News and Events. There will also be new sections:

- Our Impact will include stories and photos that show how Lions make a difference. Plus, "Tips and Tools" for projects.
- A new Member Center will provide information that Lions need to do service projects and manage clubs and districts.
- Online Community will allow Lions to connect with other Lions on MySpace, YouTube, Facebook and Twitter and share their stories and photos with Headquarters.

Learn more about the new Web site by reading the Web site features story in the March 2009 issue of LION Magazine.
