

June 2018

Governor's Comments...

I once asked a Past District Governor, "How do you grade your year as Governor?" He said, "Is your district in better shape than when you started?"

Let's look at our past year. We planted the seeds of Lionism in Soperton, although we could not get the two groups together to form a club this year. Time will tell.

Our membership goal was to increase district membership by 5 members. We lost two clubs this year, Wadley (6 members) and Brunswick (25 members). We have one year to re-establish a new club in Brunswick. As of today our district is down 70 members. We are hoping for a great push in June. The activation fee has been waived from June 7-30, so this is an excellent time for new members to join!

Preliminary planning has begun in Savannah and Statesboro for campus clubs. Also, we are considering restarting the Folkston club.

Your Governors worked really well together as a team this year. Each of the VDGs took leadership roles in a number of situations. We had several new young Zone Chairs who are showing great leadership potential in our district. We have also put together a new Global Action Team team for next year.

Our goal was to screen 25,000 children and we achieved 20,000. The good news is more clubs are buying vision screeners and the future looks encouraging.

18N held its convention in Pooler in February and we had a great time. We will always remember Miss 18N!

Our state convention was held in Helen, GA in May. It was a long drive for our members, but over 50 District N Lions made the trip. 3rd International Vice President Haynes Townsend was the keynote speaker and gave a heartfelt message. At the casino night a lucky Garden City Lion won big time!

We have a strong PDG group that is looking to help our district to continue to move forward.

This has been one of the most special years of my life. Rosemary and I have been welcomed by clubs all across our district and we thank them for showing us some wonderful southern hospitality. I would encourage anyone to take this

journey.

Next year I have been asked to serve as Global Service Team Leader. I am honored to work with DGE Billy Carroll and his team. I will also be our district rep at the Lighthouse. These are my passions. I can't wait to share with clubs THE WONDERFUL WORLD OF SERVICE!

Thanks to the help of dedicated District 18N Lions I believe our district is now poised on the brink of greatness.

Thank You

Good Afternoon, I just wanted to take a moment to thank everyone from the Milledgeville Lion's Club for the phenomenal things you do for our community. The Lion's Club tested my daughter, Brooklyn, at her school several weeks back.

She was the only one that day that was referred to see a doctor. Her pediatrician is in Macon so to save a drive, I called numerous pediatricians in Milledgeville to try to get her in closer to home. No one had the machine to test eyes here in Milledgeville.

We also called a few eye doctors and were told that they do not see patients under the age of 6 years old. We ended up seeing Dr. McQuaig at Family Eye Care. He did a great job giving her a very thorough exam and confirmed that Brooklyn

(Continued on page 2)

Thank You

(Continued from page 1)

has an astigmatism.

He suggested to get her glasses within the next year. We decided to go ahead and get those for her so we can start correcting this issue. She has had a cute little pair of pink glasses for about a week now.

She has done great wearing them too! Over the last few weeks, we have learned so much about eye care, eye safety and overall eye health.

I am frustrated that more doctors do not have machines to test children's eyes and that more eye doctors in our area don't see children at this very important time in their lives.

Because of this, I have been encouraging and educating everyone I know to get their child's eyes tested. Eye problems do not have to run in the family for children to have issues. We do not have eye issues in our family so we never thought to get her eyes examined.

I am very thankful that you came to the school to test the children. Because of this, Brooklyn will have perfect vision with glasses in her teenage/adult years. If this wasn't caught, her vision would have been poor during those years and wouldn't have been able to be corrected.

Again, thank you for testing my daughter's eyes and thank you for everything you do for our community.

Thank You, Jessica Mitchell

Transition Time is Now!

I woke this morning and suddenly realized that today is June 1. Why is this important? It is important as we Lions now have only 1 month to transition to the new Lions year.

Transition is very important. At midnight June 30, our existing officers and Board of Directors cease to exist even if a Lion is continuing in the same office. It is like Cinderella suddenly hearing the clock strike midnight. There is no need to panic if you forgot. There is still time to put the secretary's files together to pass on to next year's secretary. Be sure that you have a correct list of each member. Also be sure that the information on the LCI site is correct. There are still many clubs that entered that information when the person become a Lion and have never updated it. Every Lion needs to have contact information—phone number, correct mailing address, email address. There is still time to make sure that all reports have been filed with LCI through the MyLCI site. Oh, for those nine clubs that have not filed their 2018-2019 Officers Report on MyLCI, there is still time.

One item to make sure happens—see that your club has an Installation of Officers at the last meeting in June. This formally transfers leadership to the incoming officers so that

they start their year knowing their responsibilities. Each incoming officer should have the LCI e-book for their position—President and 1st Vice President, Secretary, Treasurer, Membership Chair, and Service Chair. If your incoming officer missed the officer workshops on April 28, GLT-D Cathy Threatt is planning more workshops.

As a secretary, look back on your year. Ask yourself if you did the best job possible with what you were given. Did you fulfill all the responsibilities of the position? I asked myself that last week as I completed my 4th year as your 18-N GLT. I want to make the transition to Lion Cathy Threatt as smooth as possible, making sure that she had records and information. With this article, I say good bye and thank you to all the Lions of District 18-N. My family situation is such that I could not devote the time the position requires. I will still stay active in my club. I looked back and realized that last year I traveled more than 2,000 miles as GLT-D and had to spend several nights away from home. Again, many many thanks

Lil Shurtleff, PDG

Annual "Kids Fishing for Sight" Fish-A-Thon May 2018 other fundraising We start planning our Fishing Rodeo at least a month before the event, usually one week following Mother's Day weekend. This year it was held the Saturday of Mother's

Day weekend. The Baldwin Firefighters assist us each year in maintaining and delivering our cane poles. After getting the sponsorship tickets printed, a form letter is sent to businesses and individuals requesting donations mostly who have spon-

sored kids in the past. These contacts are assigned to club members by the chair of the event who handles the publicity. If contact by mail has not succeeded, each business or individual is contacted in person or by phone by members assigned. The free event is held at a fish pond at our local Recreation Department. Kids compete for trophies in three age groups from 5-13. A total of nine trophies are awarded. This event has evolved into an annual family outing. Much fish catching fun ensues as well. Reports are forwarded by member assigns and the data base is updated for next year. Appropriate thank you letters are sent as well. This is our 33rd year. Dues Credits

Dear Club Officer,

Starting on June 30, 2018, dues credits for membership drops will not be issued after the release of the semi-annual billings on July 1 and January 1.

In the past, Lions Clubs International has given clubs a grace period in January and July to adjust their club rosters and receive a credit for unreported membership drops. This practice has been a courtesy extended to clubs by Lions International despite rules governing the practice in Board Policy. The board of directors recently decided that enforcement of existing policy is necessary in order to be in compliance with Board Policy.

Semi-annual dues are billed based on our records on January 1 and July 1 of each year. This means that clubs must update their membership rosters by June 30 and December 31 respectively to ensure they receive an accurate billing statement that reflects their club's membership. Members dropped after the release of the semi-annual dues billing will no longer be credited.

Here are a few best practices that can help you prepare for your July billing:

Update your club roster online using MyLCI .

Submit your updated membership roster to MyLCI or your local reporting system by June 30, 2018 CDT.

Inform current and incoming club leaders that membership dues credits will no longer be issued.

Please contact Accounts Receivable and Club Account Services at membershipbilling@lionsclubs.org if you have any questions. And thank you for all of the kindness and tremendous service that you bring to your community.

Sincerely,

Tony Benbow

International Director

Chairperson Finance & Headquarters Operation Committee

Lions Clubs International

Make sure you file your Membership Reports before the end of the month to avoid being charged for Dues for dropped members. LCI may not post membership drops immediately.

LCIF Newsletter

Lions, you may already know this, but you are leaders. You are leaders in service, you are leaders in kindness, and you are leaders in your community. Where there is a need, there is a Lion willing to step up and take on the job. Your community members look to you for strength when times are tough.

I, myself, have seen the courageous leadership of Lions time and time again during my travels, maybe most notably

in the face of disaster. In Texas, USA, Lions showed up with force, making sure their neighbors had food and water after Hurricane Harvey took everything they owned. In Japan, I saw Lions begin to rebuild after flooding washed away their homes. In Ecuador, after an earthquake destroyed many, many homes, Lions stepped up to help provide housing for families, many given to families with single mothers or families who have children with disabilities. Lions restore hope and Lions Clubs International Foundation (LCIF) is there to empower their service.

LCIF has been there to help Lions boost their service and impact more lives, now for almost 50 years. Whether Lions see children who need help in school, families who do not have enough to eat, or neighbors who are losing their vision to avoidable diseases, Lions lead the way to providing care and LCIF helps them do that.

To help your fellow Lions impact more lives, consider making a donation to LCIF.

DONATE NOW

Sincerely,

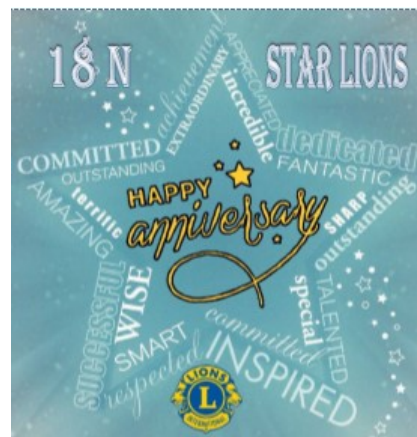

Chancellor Bob Corlew

Chairman, Lions Clubs International Foundation

Member Anniversaries

We honor individual Lions who have an anniversary in this month in joining the Lions, 15 or more years ago. Information for this column was obtained from LCI records as listed at MY LCI. Please join me in thanking these Lions for their tireless service to our communities. Does your club have an active member growth plan? If not, why not?

Ervin Crumbley Award

The highest honor a Georgia Lion can receive is the Ervin Crumbley award. Named after PIP Jim Ervin, GA's first International President and PID George Crumbley, Creator of the NCAA Peach Bowl. This award exemplifies the life long service of the recipient.

This award is limited to one Lion per District, once.

This year Lion Rick Mizell, PDG was present this award at the Regular meeting of the Savannah Port City Lions Club on Tuesday, June 5, 2018 by DG Len Cutuli.

In May, LCI will be announcing to officers and chairpersons the discontinuation of service activity reporting and data collection through MyLCI or any other reporting system, starting July 2018. We will be transitioning service reporting to the newly expanded MyLion, which will now be available on desktop.

The following is the text of the message that will be sent in May:

Changes in July

Lions Clubs International is launching something big this summer. It's called MyLion, just like our official mobile app, now available in over 70 countries.

Starting in July, you will use the new MyLion website to report all of your service activities. While you'll still use MyLCI or your local system for everything else (membership management, club management, etc.), the new MyLion website will be your one-stop destination for all things related to service.

All club-level officers will now be able to create, edit, and report on service activities.

All officers will now have access to service reporting data from all over the globe through MyLion.
