Welcome to the Lions of Georgia District 18N!

On behalf of all the Lions of District 18N, thank you for exploring our multi-faceted locale! We are sure you'll enjoy the many unique features of our district.

Lions District 18N is known to the world, not just for our fantastic Lions Clubs, but also for our diverse activities, cultural events and Southern hospitality found here. Extending from the Central Savannah River Area to the eastern lowlands at the Atlantic coast to the Florida border in the south, to the state's western fertile farm lands and timber country of south central Georgia, there are places to discover to keep you busy 365 days of the year!

Highlighting our strong and proud military presence is Fort Gordon, home of the U.S. Signal Command and the new U.S. Army Cyber Command Center of Excellence. Also, Fort Stewart is the home of the 3rd Infantry Division of the U.S. Army and the home of Hunter Army Air Field, just an hour south in Brunswick Homeland Security has the Federal Law Enforcement Training Center (FLETC), continue down I-95 and you have the Kingsland Naval Base, home of a nuclear submarine fleet. With no shortage of institutions of higher education, District 18N includes the prestigious Medical College of Georgia, and Dental College of Georgia, now part of Augusta University, Georgia Military College, Savannah State University, Armstrong-Atlantic State University, Georgia Southern University and South Georgia College. Also well known is the Savannah College of Arts and Design with a strong fine arts program. Interested in sports? We have Class AA college football teams, the Augusta Green Jackets semi-professional baseball team and many local high school teams representing all sports. If you're a foodie, be prepared! Our Southern traditions may entice you to enjoy a Low Country Boil, various Crawfish and Shrimp & Grits Festivals, the Vidalia Sweet Onion celebration and Claxton's famous fruitcakes. Love the rolling hills of Augusta? We do, too and that's why the legendary Bobby Jones built the Augusta National Golf Club, home of the Masters Golf Tournament, held each first full week of April. Are you seeking an ocean adventure or abundance of wildlife to photograph in District 18N? A visit to the Golden Isles Barrier Islands of Georgia will take you to Cumberland Island, Jekyll Island, St. Simon's Island, Sea Island, Little St. Simon's Island, and Tybee Island. Historic Darien is home to the pre-Revolutionary Ft. King George, as well as the annual Blessing of the Fleet celebration. Milledgeville is remembered as being Georgia's Capital City before and during the Civil War. Known for their pristine eco systems and wildlife are Phinizy Swamp Nature Park in Augusta and the famous Okefenokee Swamp and National Wildlife Refuge near the border of Florida. If business and commerce are your calling, you can view the 4th largest port in the United States in Garden City, the fastest growing containerized cargo port on the Savannah River. All in all, District 18N has something for everyone!

Our district covers 47 counties, has 61 clubs, 2 Leo Clubs, 1 Branch Club and over 1,380 Lions. We are the home district of the Georgia Lions Camp for the Blind, located next to Laura S. Walker State Park, just outside of the city of Waycross. We are proud of our Southern heritage and our history. We welcome you to view our sand beaches, moss-draped oaks, graceful sea grasses, stately pines and abundant flowers throughout our District. As always, we invite you to experience our gracious hospitality and enjoy the many offerings of our fabulous District 18N.

ETHICAL STANDARDS AND CONDUCT

Ours is an association of service, and the manner in which the service is rendered is fully as important as the service itself. Our members, your fellow District Governors, the International Board of Directors, the Executive Officers, the Administrative Officers, the International Office staff and our communities expect honest and ethical conduct from each of you every day. No act or request on the part of Lions clubs and their members, officers, board of directors or staff within our association with whom, or the community for whom, we render services can justify the breach of this guideline. Honest and ethical conduct is defined by four core values that serve as the foundation for our Ethical Standards:

Integrity – Lions Clubs International insists on the highest standards of personal and professional integrity. We must all make every possible effort to safeguard the association’s assets. We must also comply with all association policies and applicable laws.

Accountability – Lions Clubs International expects all District Governors to honor commitments as authorized and made on behalf of the association and take individual responsibility for all actions and outcomes. It has no tolerance for ethical violations.

Teamwork – Lions Clubs International seeks to maintain a service environment that encourages innovation, creativity and positive results through teamwork. We must all practice leadership to train, inspire and promote full participation and individual development for all Lions. We encourage open and effective communication and interaction.

Excellence – Lions Clubs International is dedicated to fair treatment, mutual respect, diversity and trust.

We must challenge each other to improve our services, our processes and ourselves. We must strive together to serve our membership and communities and help the association achieve its goals. Your responsibilities begin with understanding of the core values and Ethical Standards of Lions Clubs International. Your role in the association demands an ongoing vigilance to maintain these standards of honest and ethical conduct. Lions Clubs International has adopted several policy statements that concern the association’s Ethical Standards, such as our Mission Statement, Code of Ethics, Anti-Discrimination Guidelines for Service Activities and Membership, Obligations of a Chartered Club, Use of Publicly Raised Funds, Rules of Audit, Conflict of Interest, Solicitation, and Privacy. The International Constitution and By-Laws, the District Governor Manual and the International Board Policy Manual provide information about these policy statements and additional guidance in the areas of ethical standards and conduct. In many instances, ethical standards intersect legal requirements. If an ethical or legal compliance issue arises that raises a question in your mind, you have a responsibility to bring that issue to the attention of the appropriate International Board committee or International Office division (for example, the Finance and Headquarters Operation Committee reviews Conflict of Interest issues; the Constitution and By-Laws Committee and/or Legal Division review Legal issues). You may also bring ethical or legal concerns to the attention of the International Board of Directors, the Executive Officers, or the Administrative Officers of the association.

The core values of the Ethical Standards of Lions Clubs International, along with the policies of the International Board of Directors, provide a guide and framework to help you understand what is expected from you and to help you make good decisions. As they are not all inclusive, your good and best judgment is essential in doing the “right” and ethical thing. Please join us in continuing Lions Clubs’ tradition of honest and ethical practices in serving millions of people in need.

DISTRICT 18 N HALL OF FAME

Each Lions year, the Past District Governors Association of District 18 N hosts the Lions of Georgia District 18 N Hall of Fame. This honor is extended to the Lions of the District, who have been Lions for at least 10 years and have served their club and the district or multiple district in leadership roles or in service on various committees. This is the highest honor a Lion may receive from the district. This is a Lifetime achievement award.

The recipient will receive a plaque and a lapel pin to signify their membership in a distinguished group of Lions. Hall of Fame recipients must be nominated by their club or by any Hall of Fame Recipient or Past District Governor. Nominations may be made by filling out the form below and mailing a check for \$50.00 (covers the cost of the plaque and pin) to PDG Rick Mizell, 29 S Nicholson Cir, Savannah, GA 31419-2852 by January 1. Nominations without a check will not be considered. Nominations that are not accepted will have their check returned. Formal induction into the Hall of Fame will take place during the Friday evening gathering at the District 18 N Convention weekend.
